2016 BREAKFAST

Decolonisation and the new student movement

A new wave of student protests has gripped South African universities since October 2015. This movement has shaken universities and government, and triggered an alliance between students and outsourced workers. Critical issues

raised by this movement include decolonisation, free education, labour insourcing and the general character of the post-apartheid social order. The first semester SWOP breakfast series will interrogate these issues.

VENUE:

Senate Room
2nd Floor
Senate House
East Campus
Braamfontein
Wits

RSVP:

Makane Phiri
makane.phiri@wits.ac.za
Tel: 011 717 4460
